DETAILS:

Charlie told Jabbar, "Yo man, if you use your "istol" you don't even need any bullets. This guy will be easy. He'll just give you the money." Charlie then told Jabbar "when you get the money just run outside the building and I'll meet you at the other projects." Charlie also said, "OK, nobody say anything about this anymore. Don't say anything. I didn't hear anything about this until the job went down. After the Jewish guy got shot, I asked Charlie what happened. Charlie said, "shut up, don't even talk about it. You talk too much." Charlie also said, "that's a lot of time for conspiracy, fuck it." A few days after the shooting, Charlie told me that Jabbar got rid of all his "istols", he sold them all.
